### Colina 6<sup>th</sup> Grade Study Skills Supplies List Preliminary List:

Research has shown that those students who are successful in secondary school are independent and self- directed learners. To work independently, the student must have developed organizational skills. As in any endeavor, the task becomes more achievable with the appropriate tools. The following list has been revised over the years as we see a need.

**With the school year starting as Remote Learning, not all supplies will be needed to start the school year.**

**We know that many of you will want to get any supplies while they are readily available. Many of these supplies will help cut down on the need to share supplies when we are able to return to the classroom learning environment.**

	one or two 3-ring binders (at least 2-inch rings) ***we suggest having one binder for periods 1-3 and one binder for periods 4-6
